6th District Newsletter

Fall 2017

Dear Neighbors and Friends,

It certainly remains my privilege to serve as your elected representative on the Milwaukee County Board of Supervisors. The number and variety of issues involved with the County Grounds and our parks continue to be an important priority for me and the constituents I serve in District 6.

I have sponsored a number of very important resolutions through the years to:

- Define the parameters of the UWM development zone, retain the Parks Administration building in this zone, and set aside 11 acres in the development zone for the Butterfly Habitat.
- I also sponsored the original resolution to create the 55 acre County Grounds Park between the development zone and the County Grounds detention basin.

This summer I sponsored another critical resolution to protect our County Grounds Park from any future development and even added another 45 acres to the park that included the Sanctuary Woods parcel.

I am also pleased to give you an updated report on three major Capital Investment projects that I sponsored and fought hard for, in a very tight yearly Parks Capital budget.

Honey Creek Parkway Reconstruction (at Jacobus): An extensive lighting project, which included updating the entire electrical service of the parkway without impacting the Jacobus Park Nature Preserve. The parkway drive is now well lit with reliable light emitting diode (LED) fixtures.

Menomonee River Parkway Reconstruction: This multi-year 4.9 mile total reconstruction project is near completion. Work to improve storm water drainage between Auer and Mayfair Road has taken place this summer as well as continued planting of native species along the parkway.

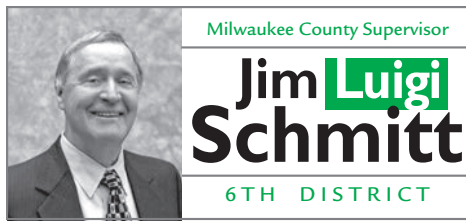

Hoyt Park Suspension Bridge Renovation: Completed in late 2016, the Hoyt Park Suspension Bridge was fully rehabilitated to its original design and form. After a full engineering analysis, work completed included structural improvements, stone mortar matching and replacement, wood railing repair and new asphalt approaches. (See photo.)

I continue to look forward to working with all of you to resolve the various challenges we face together as a community.

Sincerely,

**Jim "Luigi" Schmitt
6th District County Supervisor**
